VICTORY® 10.2

The **Victory® 10.2** series offers great convenience and versatility with exclusive feather-touch disassembly and a delta tiller with wrap-around handles. Contemporary features such as the integrated storage/cup holder on the tiller ensure ample storage options, while a new under-tiller puddle light offers improved visibility to both the storage area and USB charging port. A new ambient voltmeter adjusts brightness to suit the user's environment, and frosted LED headlights and a low-mounted LED pathway light provide plenty of illumination in low-light environments.
